They will review all the bids and give a recommendation to Council.

12. UT. Warn Mutual Aid Agreement

This organization has been around for some time. It is an agreement that if a member of the agreement has an emergency and needs assistance the participating cities/towns will respond. There are no fees to join and you can refuse to go on the emergency if you are unable to provide support at that time. Cass feels that it would be a good thing to join.

14. Mayors Report

The Mayor read from the Department of Workforce Services quarterly report for Sanpete County. The County is bucking the trend and when other counties are losing jobs we have gained jobs. He has been asked to serve as Regional Representative on the Joint Road Committee. This request was made by the League of Cities and Towns. The Mayor asked what the council thought of him serving on this committee. The council agreed that this would be a good board for him to serve on. He also gave a rundown of his schedule for the next couple of weeks.

15. Council Concerns

Sandra: She was approached by a citizen asking if we were going to make Christensen Bros. Clean up the rest of the mess at the Pete Henderson building. The council felt that it had been cleaned up and there was no issue.

Monte: Nothing

Michael: Nothing

Chris: He is meeting with the rodeo committee to see if they would be willing to change the date of the rodeo. They currently have it set for the 3rd & 4th of July which is Thursday and Friday. He would like to see it on Friday and Saturday instead. The council agreed that would be best. He also told the group that we are waiting on an aerial map to proceed with the storm drainage project. We have to have someone fly over and map the City to determine where and how to do drainage. Once that is done they can move forward quickly. Sam is waiting to start on chip/sealing roads and we need to have the storm drainage study done first.

Coleen: She gave an update on the plans for the July 4th celebration they have been working on. She also told the council that the Youth City Council did a good job at the youth conference. She has some new volunteers to help with the Youth City Council. She is planning the Freedom Rally at the high school for the 3rd of July.

15 Adjourn: 8:40 p.m.

Sally East, Recorder
